SUMMARY

Interaction Design student at Anant National University with internship experience in graphic, social media and print design. Skilled in user research, UI design, prototyping and visual identity across digital and print projects.

EDUCATION

Bachelor of Design, Interaction Design 2023 to 2027
Anant National University | Minor in Graphic Design

EXPERIENCE

Summer Intern, Design Jun 2026 to Jul 2026
Serendipity Arts Foundation

- Collaborated with the design team to produce social media creatives and event assets
- Developed website page layouts consistent with the Foundation's brand
- Researched references to inform design decisions for upcoming events

Festival Volunteer Dec 2025
Serendipity Arts Festival

- Coordinated with artists on installation, set design and spatial setup
- Resolved on site issues in real time with artists and organisers

Graphic Design Intern Dec 2024 to Jan 2025
Teamarcs Technologies

- Created social media graphics, business cards and print collateral
- Improved UI layouts in Figma for a clearer visual hierarchy

PROJECTS

UX Research Mar 2025
Group Project | Figma, Illustrator

- Conducted field research and user interviews with around 50 vendors and customers
- Synthesised insights from a municipal market in Ahmedabad into an illustrated zine

Packaging Design Apr 2025
Conceptual product packaging

- Conceptualised packaging for a compact hygiene dryer, focused on clarity and sustainability
- Structured the information hierarchy for labels and user instructions
